

HW5

Comparing between NN/CNN using Fashion MNIST

Kaggle

- Enroll here: <https://www.kaggle.com/t/34730a8b1cc848fa88b0402d40b5f637>
- Set your team name to your student ID (your score will be based on this)

Submission

- Kaggle leaderboard metric: Accuracy (see [overview -> evaluation](#))
- E3 Submission format:
 - {student id}_hw5.zip
 - report.pdf
 - pred.csv (should be the TWO you submitted on kaggle, and make sure it's reproducible, so set the seed and verify for reproducibility properly before handing in)
 - code/ (contains your code file, either .py or .ipynb is fine).
- Any problems? Reach out to TAs via email or E3
